(The jury entered the courtroom.)

THE COURT: Please be seated.

Well, good morning, ladies and gentlemen of the jury, and welcome back to your fifth day of jury service in the 17th District Court. Hopefully everyone enjoyed having a little jingle in your pocket this weekend. Hopefully you didn't spend it all in one place. Again, it's not nearly enough for all of the work that you are doing for us, so please know how much everything is appreciated. But we're glad that everybody made it back here on time on this Tuesday morning, and as you know, we are still in the middle of Plaintiffs' case in chief.

And, therefore, Mr. Moore, on behalf of the Plaintiffs, you may call your next witness.

MR. MOORE: We call Mr. Ghrist, Your Honor.

THE COURT: And, Mr. Ghrist, if you would, please watch the incline as you walk up to the witness stand.

(The witness was duly sworn.)

THE COURT: And you may be seated.

And, Mr. Moore, you may proceed.

IAN GHRIST,
having been first duly sworn, testified as follows:

10:26AM 1 A. I talked to him about the -- about MBH Real
10:26AM 2 Estate, L.L.C. and how he was going to draft an
10:26AM 3 operating agreement that would protect Mr. Coker's
10:26AM 4 interest and my interest. And then that was not like a
10:26AM 5 very long conversation, and after that, I was just
10:26AM 6 waiting for that to get done, that operating agreement
10:27AM 7 to get done.

10:27AM 8 Q. Did you ever see the Secretary of State
10:27AM 9 paperwork creating a company?

10:27AM 10 A. Yes.

10:27AM 11 Q. Were you listed on there as a managing member?

10:27AM 12 A. No.

10:27AM 13 Q. Were you okay with that?

10:27AM 14 A. Yes.

10:27AM 15 Q. Why?

10:27AM 16 A. Because I only had a 13.33 percent minority
10:27AM 17 membership, so I was okay with Shawn Coker and Ferguson,
10:27AM 18 P.C., being the managing members. And I didn't have --
10:27AM 19 think that I needed to be a managing member if I only
10:27AM 20 had a 13.33 percent membership interest, at least until
10:27AM 21 the buyout happened, because there was a balance between
10:27AM 22 Coker and Ferguson with them both being managing
10:27AM 23 members, and I didn't have a problem with that until
10:27AM 24 that balance was gone.

10:27AM 25 Q. Okay. And so how did MBH operate without an
